

### Rule 53: Court Assistance Services

(a) Statement of Policy: It is the policy of the Supreme Court to ensure access to the courts by all persons, including those who may not have the benefit of legal representation. The purpose of this rule is to provide a means for assisting persons who do not have legal representation, by authorizing Court Assistance Officers to provide those litigants with educational materials, court approved forms, limited assistance in completing court forms, and information about court procedures so they might better understand the legal requirements of the court system, and to provide referrals to legal, community and social services organizations and resources providing similar assistance.

(b) Definitions: For the purposes of this rule, the following words have the following meanings:

(1) "Court Assistance Officer" is a person qualified under guidelines adopted by the Supreme Court to provide a full range of court assistance services.

(2) "Deputy Clerk" is an employee of the District Court Clerk who is assigned the responsibility of providing a limited range of court assistance services under guidelines adopted by the Supreme Court, as part of his or her overall clerical duties.

(3) "Project Director" is person appointed by the Administrative Director of the Courts to oversee and coordinate the statewide operation of court assistance services.

(c) Court Assistance Services: Full or limited court assistance services shall be provided in every county.

(1) Where feasible, those services should be provided through a court assistance office staffed with a full or part time Court Assistance Officer, who has the training to provide a full range of court assistance services and referrals under guidelines established by the Supreme Court.

(2) Where the appointment of a Court Assistance Officer is not feasible, the District Court Clerk shall appoint a Deputy Clerk to provide limited court assistance services as defined by the Supreme Court's guidelines. The Project Director shall be notified of the assignment, and provide input on the selection if requested.

(d) Assignment of Court Assistance Officers: A Court Assistance Officer may be an employee of the District Court Clerk, or another county employee who is under the direction of the Administrative District Judge or Trial Court Administrator, or an independent contractor retained by the Supreme Court who is under the direction of the Administrative District Judge or Trial Court Administrator. The Administrative District Judge or Trial Court Administrator, the Project Director, and the District Court Clerk shall provide advice and consent in the selection and assignment of Court Assistance Officers under guidelines for minimum qualifications established by the Supreme Court for that position.

(e) Management of Daily Operations: The Administrative Judge or Trial Court Administrator shall be responsible for managing and supervising the day-to-day activities of Court Assistance Officers who have been retained by the Court or are county employees other than deputy clerks. The District Court Clerk shall be responsible for managing and supervising the day-to-day activities of Court Assistance Officers who are employees of the District Court Clerk, and Deputy Clerks who provide limited court assistance services. The Administrative District Judge or Trial Court Administrator, and the Program Director, may, from time to time, provide input on the performance of employees of the District Court Clerk providing court assistance services, which shall be considered by the District Court Clerk, in good faith.

(f) Policy and Rules of Conduct: The Supreme Court shall establish guidelines for court assistance services which specifically define the types of referrals, instructions, forms, educational materials, and information about the court and court processes, which may be provided by a Court Assistance Officer or Deputy Clerk, as well as requirements for education and training of court assistance personnel.

(g) Unauthorized Practice of Law: It is the policy of the Supreme Court to encourage the use of attorneys whenever possible. The materials and assistance provided through court assistance services are not intended as a substitute for legal advice. Services, materials or information provided by Court Assistance Officers or Deputy Clerks providing court assistance services under the guidelines established by the Supreme Court shall not constitute the unauthorized practice of law.

(h) Schedule of Fees: Charges for forms, materials and other services provided under this rule shall not exceed the amounts defined in the following Cost Recovery Fee Schedule, adopted by the Supreme Court pursuant to the authority of section 32-1406, Idaho Code. Fees collected for court assistance services shall be distributed as required by section 32-1406, Idaho Code.
